

## Terms & Conditions for the MAS TRANSPORT Service in Tijuana, Mexico

Mexico Assistance Services (MAS) has made all the necessary arrangements for the minimum amount of guided transportation that is generally required for a TCN applicant to complete the US visa stamping in Tijuana.

MAS will assign you a driver in Tijuana who will personally escort you to the ASC, USC, and Port - of - Entry.

Any additional transportation that is not listed below, will incur an additional charge which can be paid directly to your assigned driver who is providing your transportation. MAS will assist in making any additional arrangements at no additional charge to you until you complete your visa stamping.

It is possible that the U.S. Consulate will ask you to present yourself for a second interview. You will be financially responsible to cover this transportation. Average rate for a personal driver is \$15 USD per hour.

**VERY IMPORTANT:** You **will not** be allowed to bring anyone else along to these locations who is not an MAS client or listed/paid by you when you registered with MAS.
